\_\_\_\_ Adult (\$35)      \_\_\_\_ Teen (\$20)

Workshop fee includes CDR resource disc with recordings, video and transcriptions.

Led by Patty Cuyler and Larry Gordon. A repertoire-building day to learn a set of wonderful new South African gospel arrangements, folk songs and protest songs—and their dance movements—in four-part harmony. We will learn all the songs by ear, but you will be sent home at the end with enough material (worksheets, mp3 and video files, some transcriptions) to enable you to teach these songs to your own choir.

We'll divide the day up with a pot-luck meal.

The all-day workshop will take place at Montpelier's great new studio/performance space, The Lamb Abbey, next to the river in the "warehouse district" off Pioneer Street.
